It Was a Grave Yard Smash!

The "monster mash" was the annual Halloween Party which was sponsored by Student Activities, Donnellon Second North, and the Great Lakes Club this year. Costumes of every kind were there including M & M's, baseball players, fruit of the loom, witches, devils, nuns, priests, and many extra "girls." But the arrival of Eastern flight #787 stole the show!

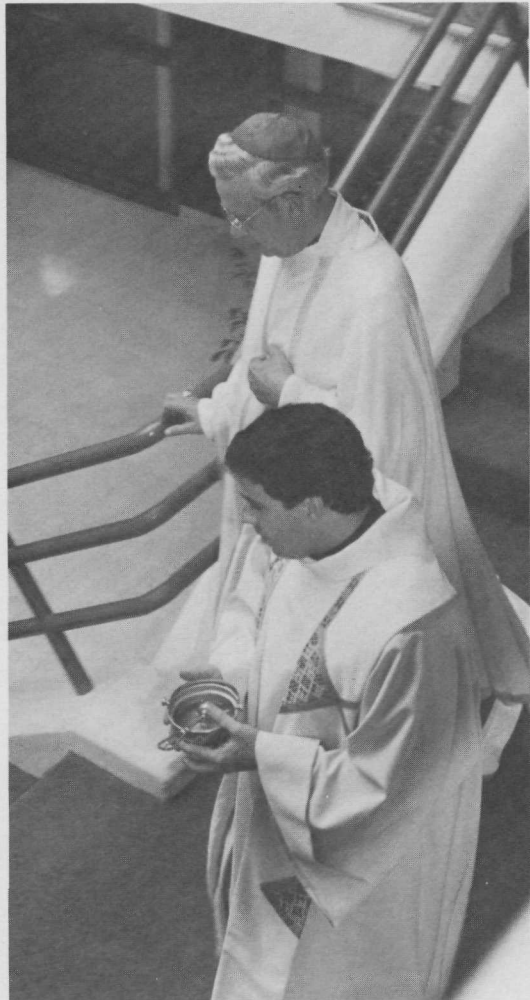

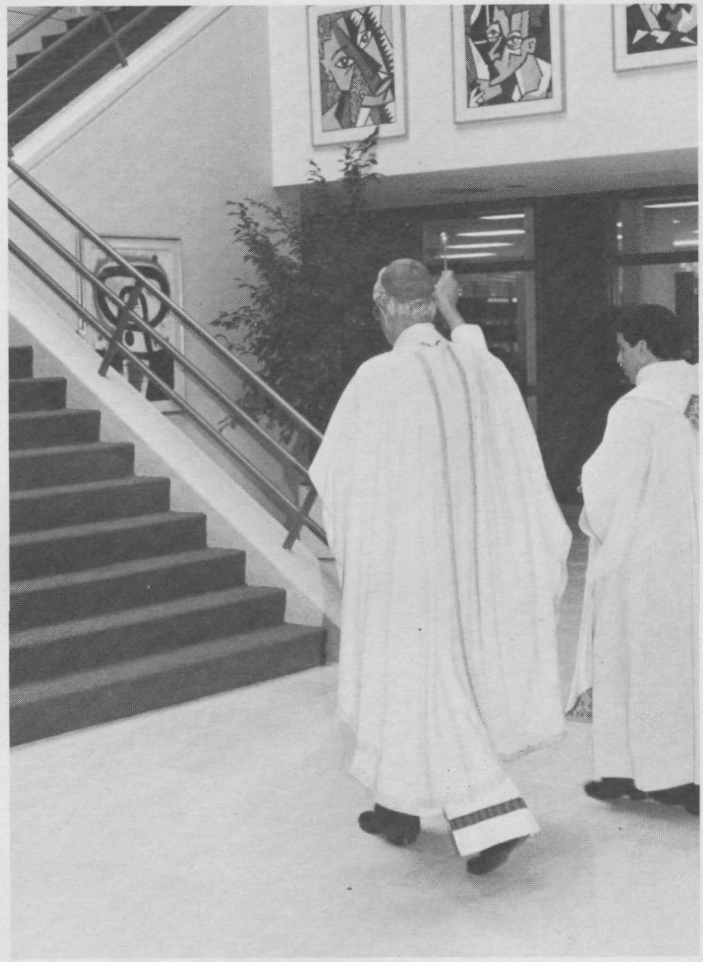

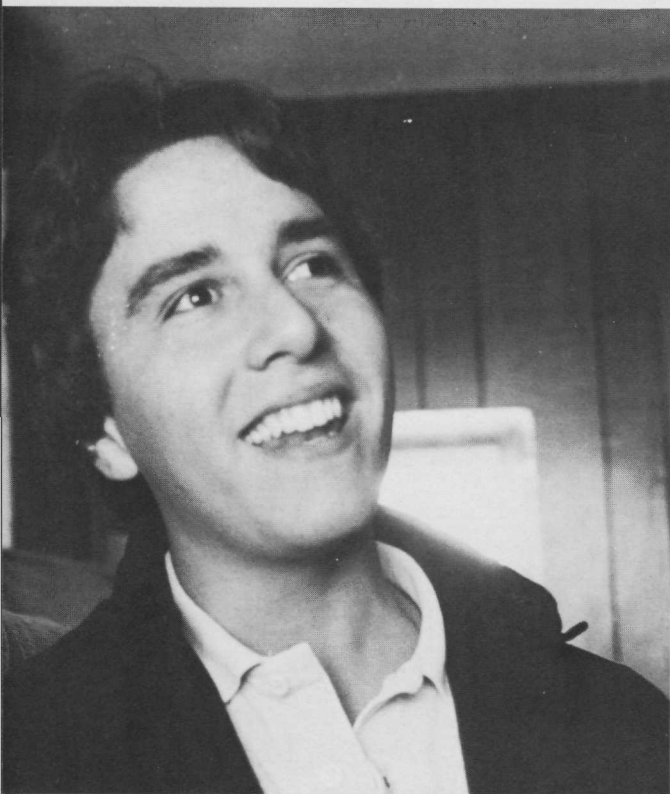

A Dream Come True

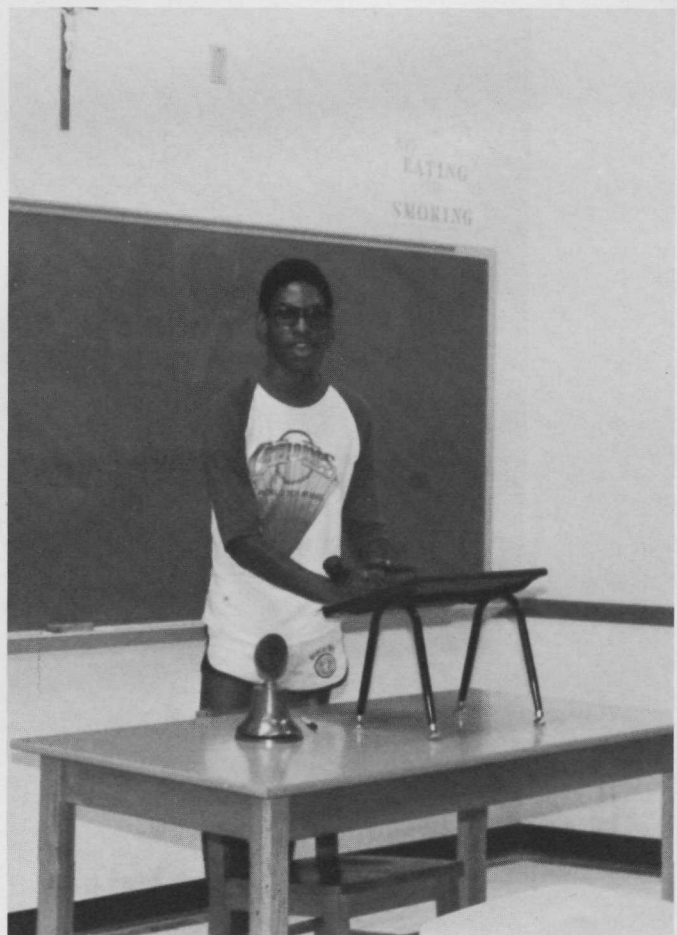

The gala festivities of the dedication began with a dance in the library for the students. The following evening the Board of Trustees sponsored the Renaissance Ball which was held at the Four Ambassadors while the students attended the second annual moonshine cruise. Saturday evening there was a cocktail party and the dedication concluded with the mass which was celebrated by Archbishop Edward McCarthy.

Fellow Graduates of 1983

Dear Friends:

Congratulations to each of you as you celebrate your Graduation from Biscayne College. I welcome you to the ranks of our esteemed Alumni as a member of Biscayne's 16th Annual Commencement Class. On behalf of the Administration, Staff, Faculty and your fellow students, we promise you our prayers and support as you pursue your hopes and careers. During the last several years that you have been part of our learning and believing community you have had the opportunity to share diverse traditions, cultures and systems of belief. It is our hope that you will always hold every person you come in contact with in highest esteem. A genuine respect of others will return that gift to your own life. This goal must be the centerpiece of your life.

God Bless you and thank you, know that my prayers and affection follow you.

Whitmania is Here!

Mr. Charles E. Feinberg, outstanding Whitman scholar and collector, visited our campus on several occasions to address Literature classes. Mr. Feinberg told the students of his early interest in literature which led to collecting. He has concentrated on Walt Whitman and presented his collection to the Library of Congress thus making it available to scholars.

Mr. Feinberg has given a number of Whitman items to the library including a signed copy of *Leaves of Grass*, proof sheets and photographs. A friend of Richard Raleigh's for twenty-two years, Mr. Raleigh said that our library has become "a store house of Whitmania."

Mr. Feinberg is also serving in an advisory capacity to the Friends of Biscayne College Library. This group has been organized to increase interest in the library and assist in the collection of needed materials.

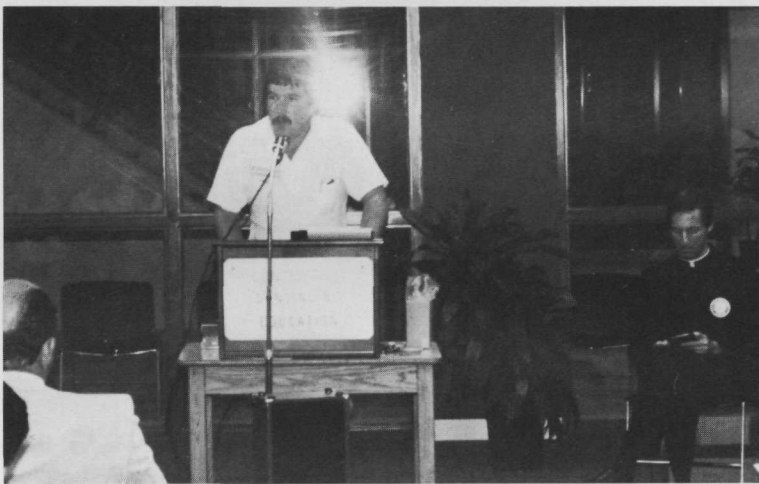

Clubs And Organizations

Welcome To Our World

Share our world. We're fast, frequent, friendly. And classy. In the week before everyone arrived here at the 'cayne the orientation committee was preparing for you. You'll never know how much activity can be put into a week until you become a member of this select committee. This year, as well as doing the typical orientation seminars and preparations they were involved in many muscle building exercises. After only a day the committee renamed themselves the "Biscayne College Moving Company," (BCMC). They found the faculty and staff offices to be moved to the new library as well as the closets, desks, and beds into first floor Donnellon. This was only the opening act. By the time the freshmen started arriving the BCMC was eager to return to the role of Orientation Committee. Now all that needed to be moved was the luggage and essentials of the *many* incoming students. It was a long day that actually just started their working week. After assisting all the new students with their academic tests and schedules they had to be ready to go all night as all the old friends started arriving. They might have been dead when classes finally started but it was all certainly worthwhile welcoming everyone to our world.

The Fitness Factory

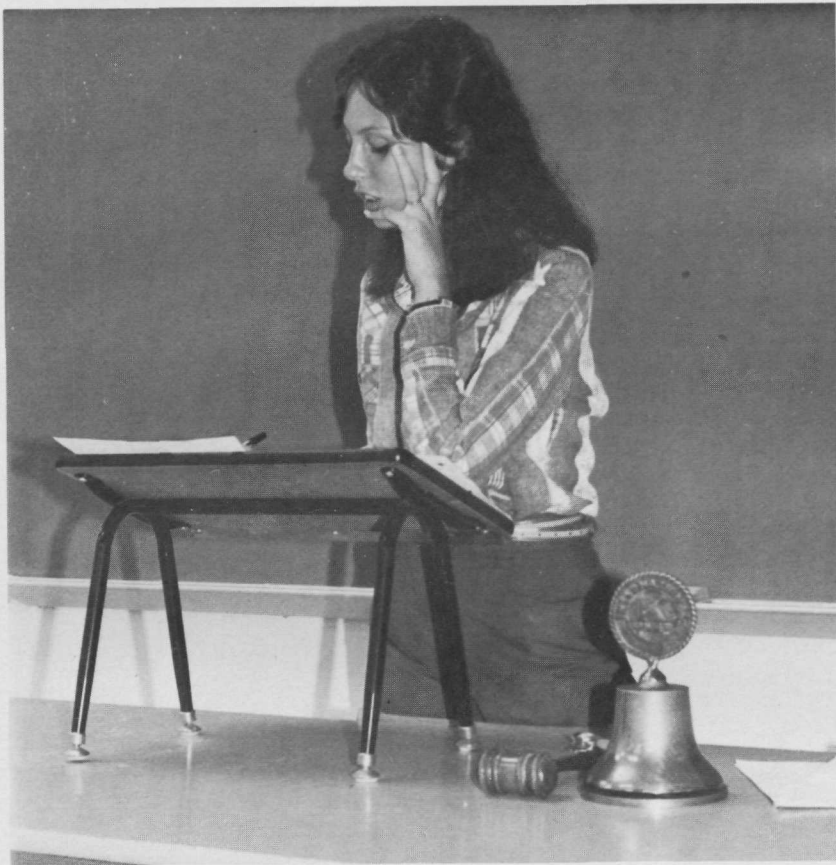

The Biscayne College Fitness Factory was organized in the fall semester of 1981 by a group of Biscayne students who enjoyed physical fitness.

The coordinator of the program, Tony Robinson, contacted Coach Don Shula and received permission to use the Miami Dolphins weightroom facilities. The facility offers quality equipment that ranges from nautilus machines to olympic weights.

The current 1983 membership consists of resident students, commuter students, and varsity athletes. The Fitness Factory realizes a students budget and offers a one year membership which includes a club tee-shirt and membership card for only \$25.00. The Weightlifting Club is sponsored by Student Activities and is open Monday-Friday, 7:00 p.m. - 9:00 p.m.

Sports

Biscayne Soccer a Pleasant Surprise

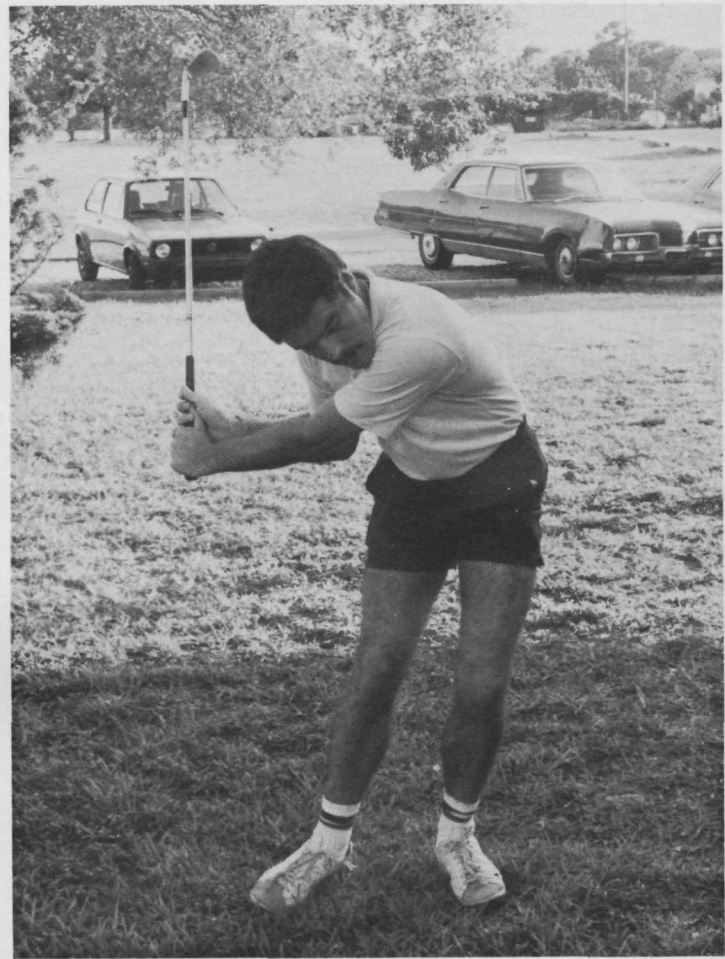

Under the direction of third year head coach Mike Coyle this year's soccer team produced many surprises. The team finished the season with a school record 13-4-1 record plus a record 10 shutouts. Team member Musa Njai was the leading scorer with 23 goals and was named to the All-Conference second team. With only two seniors graduating, Tom Ennis and Harry Watson, and 9 returning starters, the outlook for next season is great!

Party Time

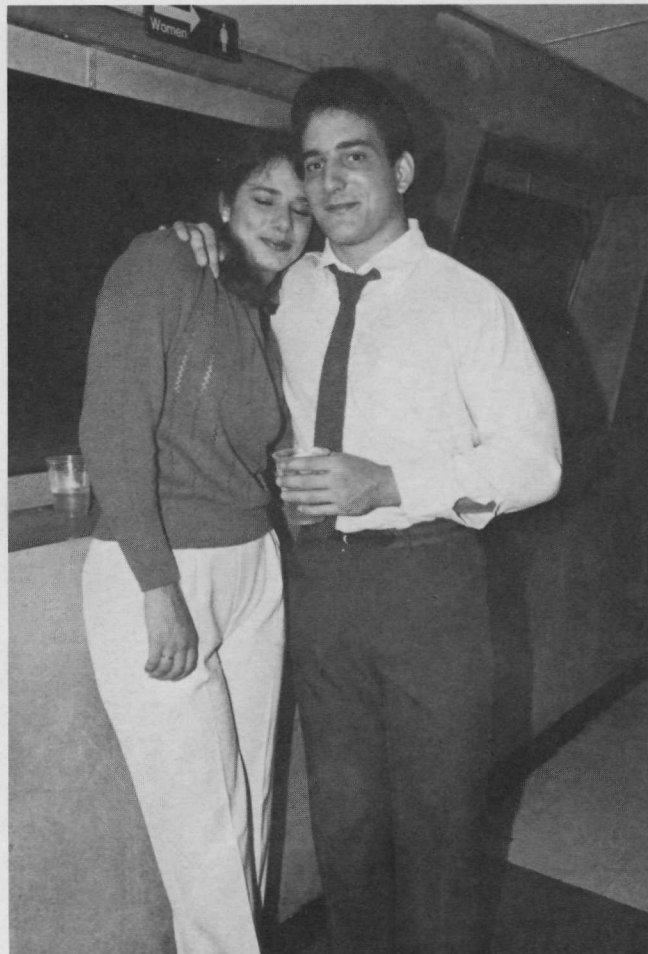

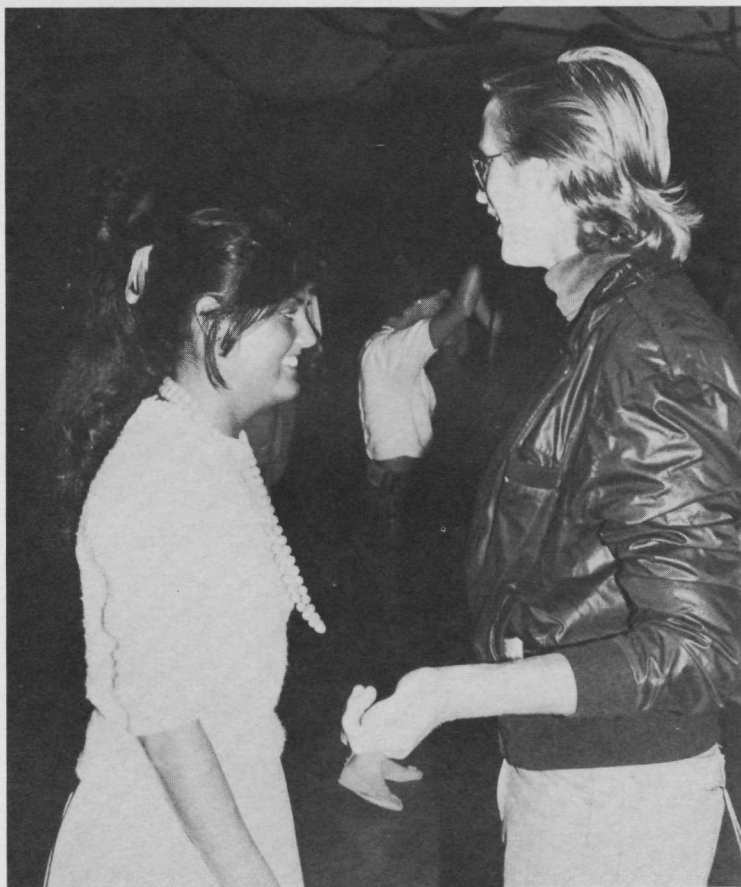

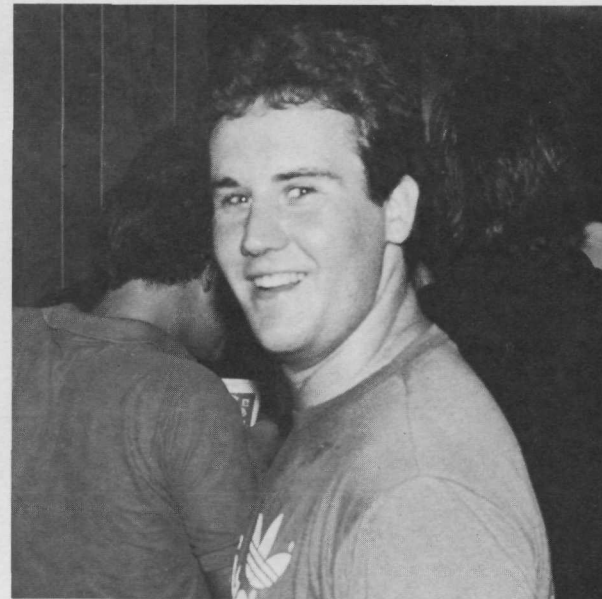

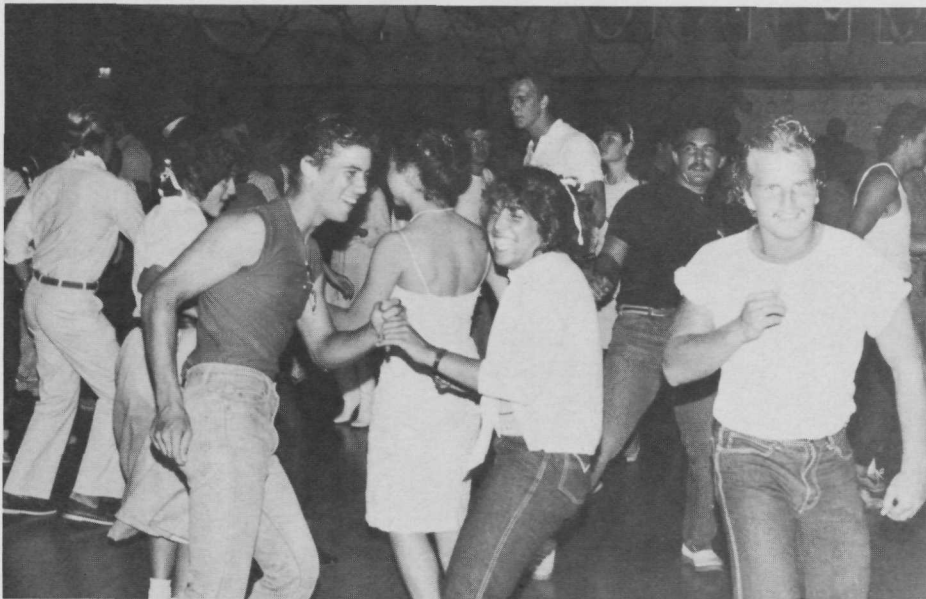

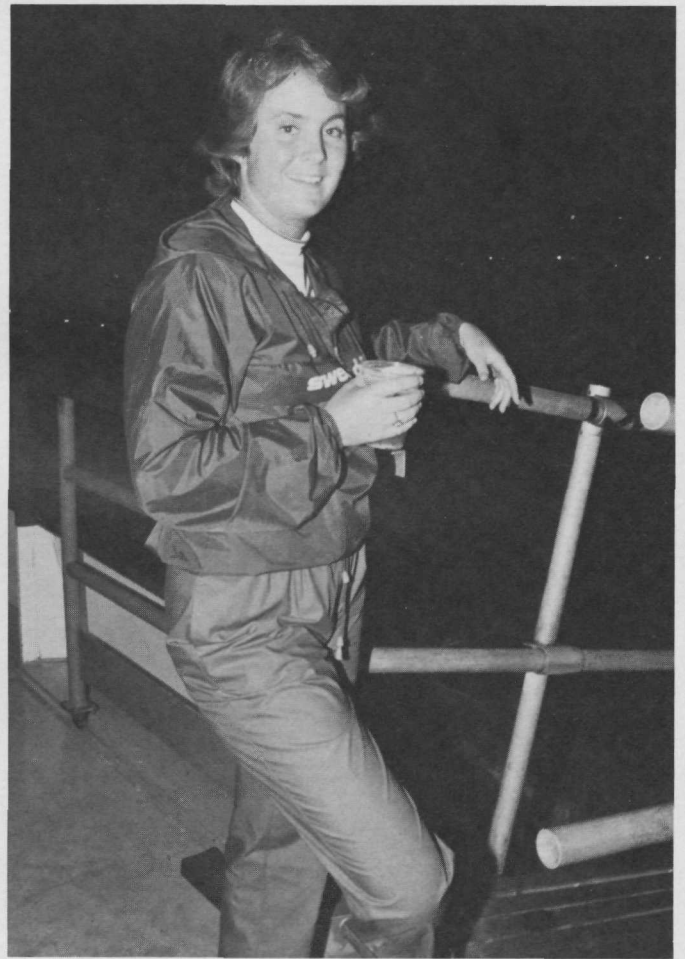

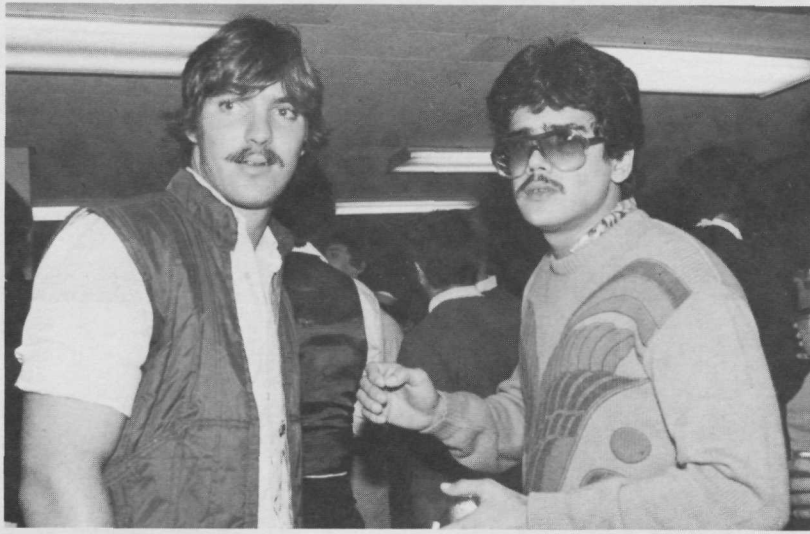

Do you like standing elbow to elbow with beer and jungle juice being spilled on your clothes and sloshing through beer on the floor? Or do you prefer open space for dancing in a renovated cafeteria?

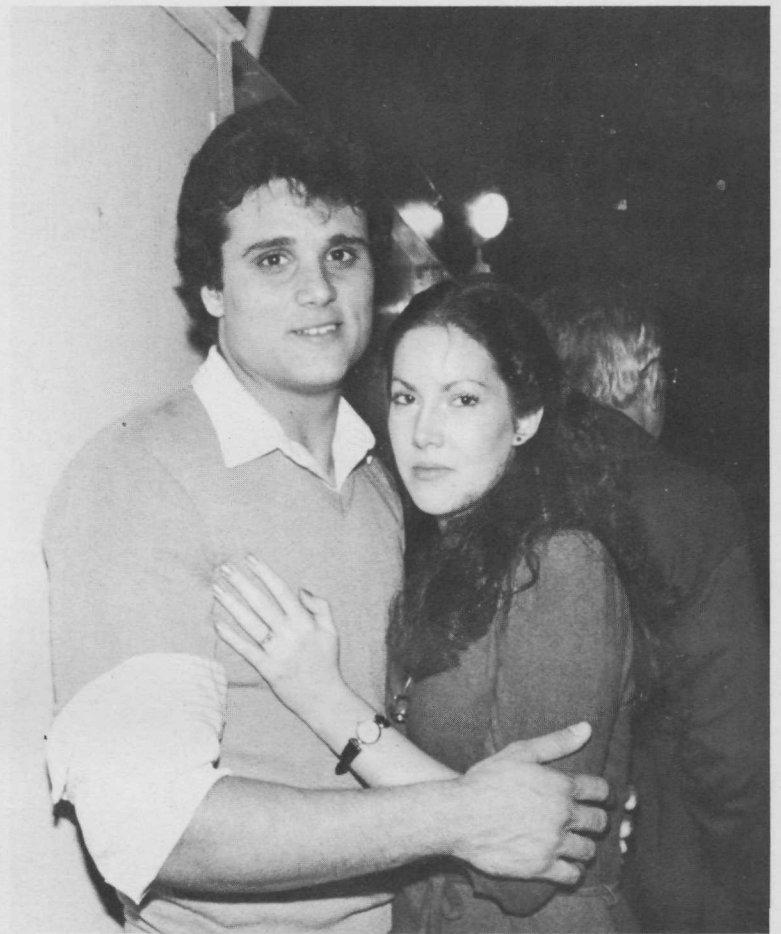

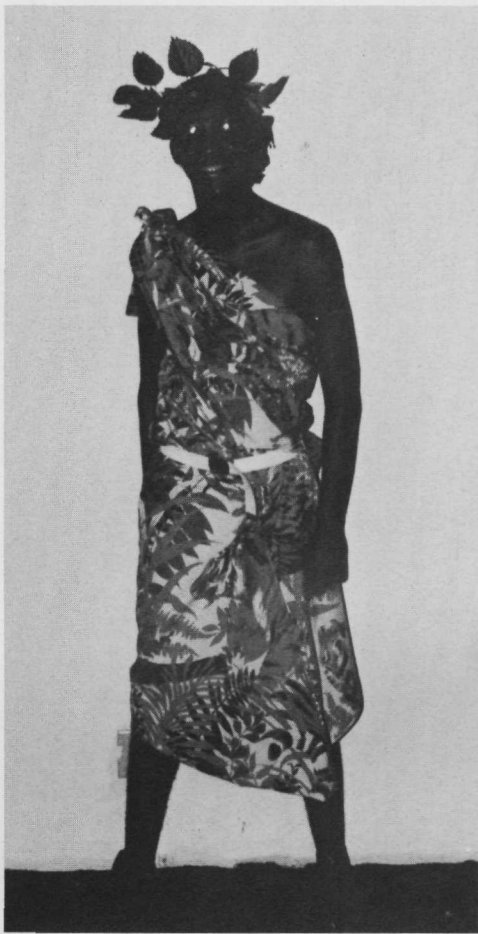

Parties this year have filled both bills. After going through heaven and hell all week on the weekends we got tonight with music extravaganza. Nutty and screwy as we could be we watched the moonshine and reminisced about the fifties and sixties.

Friends forever

This edition of the Logos would not have made it without the help from the following people: Fr. Marry for his support and for letting me borrow the car to pick up pictures at Bryn-Alan. Margaret Elliston for her help with copy and for letting me miss work so I could work on the final deadline. My roommate Madonna Grosko for never complaining when the room was a mess when I was doing layouts and typing late at night. Kerry Spence and Louise Dietrick for putting up with me when I got moody! And for all others who gladly posed for pictures. I can't accept all the credit for being editor this year because Julie Hall was editing up until our last month of publication. Thank you Jules for showing me how to place the copy and get this book done!!
